The Key Hole

👁 10 ✓ 0 ⭐ 2

Chapter 1 by Elisabeth Ford

They kept telling me not to look through the key hole to room 324.

They said something bad happened there, and if you opened the door, or looked through the key hole, a monster will eat your soul. Of course I was very young when they told me this. So I always thought they were true.

15 years later

I'm 22 now, and getting married in june.

My wife jannete wanted to travel to california for our wedding.

We stopped at a motel called 'Motel dahvern'!

Where have I seen this motel before?

Was it the same one from when i was young?

Or was it just a feeling?
